The District assumes no liability or responsibility for any loss or injury arising out of participation and is merely permitting this material to be disseminated at this facility because of the possible interest of students and/or faculty.

Distribution Authorized:
8/10/11

!Cocinamos y Aprendemos! Spanish Culinary Camp for Kids \$159 M-F 9:30-Noon Grades 1-5

Come join us as your youngster plays, sings and cooks their way into learning often-used phrases, songs, verb conjugations, Hispanic art projects and familiar Latin-based recipes. More Info, contact Amy Berger: 562-833-3115

Theater Games with Caprice Rothe \$159 M-F 12:30-3:30 Grades 1-8

Play theater games and the art of movement with movement artist, actress and director Caprice Rothe. Caprice is well known as an alien specialist, helping to choreograph alien movement in the movies E.T. And Cocoon.

Game Design and Development \$159 M-F 9:00-Noon, Grades 3-8

Learn about a variety of game engines and creating scenes and terrains for video games using Construct and Unity 3D. Includes interviews with indie game developers working with various game design tools.

Introduction to Electronics \$159 M-F 12:30 – 3:30, Grades 3-8

Learn about electricity and electronics. Perform exercises with LEDs, buzzers, motors, and sensors using the SparkFun Inventor's Kit, then do a mini-project which takes the participants through the steps of diagramming, breadboarding, protoboard and soldering a small finished wearable electronics product. *An electronics kit will be made available for use during classes.
