Four activity stations, with fun things to do.

Station 1: Build a LEGO forest. Learn this simple technique, and save lots on LEGO bricks!

Station 2: Make holiday designs on the computer and cut them with the Silhouette

Station 3: Try out the Thermofax machine and DIY Silkscreen

Station 4: Make holiday Crackers – a British tradition (2 per person)

HOLIDAY BREAK MIX N MATCH ACTIVITIES Grades 3rd and up

Lunch break from noon to 1pm. Please bring sack lunch if you are staying.

Holiday Toy Factory - Monday, December 22nd

Session I 9am – Noon, Session II, 1-4PM \$25 any session

We're making a production line and sewing up individual, stuffed Holiday toys.

Four sewing stations, a serging station, a Thermofax silk-screening station, stuffing stations, turning inside out stations. Each participant takes a station and performs a simple task. Take home a toy from your very own Toy Factory! Cocoa, cookies and holiday carols.

LED Holiday Cards, Holiday Crackers, Leathercraft, Open Make - Tuesday, December 23rd

Session I 9am – Noon, Session II, 1-4PM \$25 any session.

Make a special Holiday Card for your parents, with a simple circuit or work with our graphic designer to create a digital design for cutting on the Silhouette Cameo. We'll have supplies for Holiday Cracker making, so you'll be able to make some for your family. *supplies permitting
